OXFORD UNIVERSITY – WADHAM COLLEGE TRIP

All Y12 students and a few Oxbridge-aspiring Y13 students were taken to Wadham College of Oxford University for the day. Based on academic interest, they were split across two seminar groups where they were taught about source analysis and earth sciences. They were then given a tour of the college, after which students were given a detailed lecture on university applications and top tips and tricks to maximise their chances of getting offers from top universities.

'The trip was very informative and it made me want to delve deeper into what other courses Oxford has to offer. The tour guide was very kind and helpful, especially with the application process.' Eijazul
